Thursday, December 24 @ 1pm - Friday, December 25	Christmas

NOISE (Section 15.09.020)

During the permitted construction hours, the Contractor shall ensure noise generated by construction equipment shall not exceed construction noise levels allowed for temporary noise sources, as defined in the Noise Element of the Daly City General Plan. Additionally, no deliveries of materials or equipment are permitted outside these hours. The Contractor is permitted to stage and prepare the worksite up to one hour before the permitted hours of construction provided that no construction equipment is in use. The use of any construction equipment outside the permitted construction hours is strictly prohibited.

POSTED SIGNS (Section 15.09.030)

- Construction hours sign(s) for projects subject to this ordinance shall be posted five (5) feet above ground level and shall be visible to the street at all entrances to the construction site.

VIOLATIONS AND ENFORCEMENT (Section 15.09.050)

- The Building Official or their designee is authorized to enforce the provisions of this section.
- Enforcement actions may include issuance of a warning notice, placement of a hold on permit inspections, or issuance of a Stop Work Order until the violation is corrected.
- Violations of this chapter shall be deemed and are hereby declared to be a public nuisance. Such nuisance may be abated, removed, or enjoined, and damages assessed therefor in any manner provided by law.

HOURS OF WORK EXEMPTION (Section 15.09.040)

- Exemptions from the hours of work designated in this chapter may be granted under the following: Upon written application to the Building Official or their designee. The Building Official or their designee may approve such application in his or her sole discretion for emergency situations or exceptional circumstances beyond the control of the applicant. An application shall contain any information required by the Building Official or their designee, including, but not limited to the type of work to be performed, the equipment to be used, the date(s) and time(s) for the proposed hours of work, and the reason(s) therefor.
- The approved hours of construction activity shall be posted at the construction site in a place and manner that can be easily viewed by an interested member of the public.
- The Building Official or their designee may revoke an exemption at any time if the contractor or owner of the property fails to abide by the conditions of the exemption or if it is determined that the peace, comfort and tranquility of the occupants of adjacent residential or commercial properties are impaired because of the location and nature of the construction.
